

Winokur – website suggestions

Logo

About Blog Contact

Image taken from a video as Neal was suggesting to make a video this idea is more powerful than pop-out video and more professional

An image of Neal Winokur "+" play button

Welcome + mission text can be implemented here

Winokur Advantage

This part is interesting in terms of hoverover effects and icons are cool text can be more simplified and stright to the point

CTA

Expertise in the Following Areas

This part needs better images and again less text

CTA

What clients say "Testimonials"

Testimonials section can show one satisfied client at a time with a carsol effect for high impact for this section

CTA

Great headshot, however, text can be more simplified and section can be a bit shorter
